Deputy Director (Plans)
Deputy Director (Intelligence)

SUBJECT: Inspector General's Study of the CIA Training Program

1. Attached is a copy of the Inspector General's report on the Agency's training program. It is Agency-wide in its coverage and, with due regard for security considerations, should have fairly broad distribution among your senior officers. Additional copies are being forwarded separately for this purpose.

2. The report contains a number of recommendations some of which have a bearing on your area of responsibility. I would like to have your comments on these recommendations submitted to General Cabell by 1 December 1960.
